

ANDREW CHUK

PRINCIPAL CONSULTANT

BEng (Mining) (Hons)
B Economics
MAusIMM

EXPERTISE

Andrew's key areas of expertise are the technical review, due diligence, and valuation of mineral projects developed from 20 years experience in mining and infrastructure industries.

Andrew has operational experience in gold, base metals and coal and has experience in iron ore, phosphate, tantalum and lithium gained through consulting assignments.

Andrew has a strong understanding of government regulatory and legislative processes.

SUMMARY OF EXPERIENCE

Over the first 12 years of his career, Andrew worked in a range of roles in Central Norseman Gold Corp, James Askew Associates, BHPB and Wesfarmers Energy. Early in this period he work as an underground miner, shift boss and mine planning engineer. Later roles included mining analyst in an acquisitions team, and several business development roles.

In 1996 Andrew joined the Department of Treasury and Finance WA as a Director with responsibility for the State's capital investment programme, a \$3 billion annual programme. Later, as Executive Director, he gained additional responsibility for the preparation of the State's operating budget, which exceeded \$10 billion per year. In these roles, Andrew was directly involved in approving tender documentation, evaluation, and contract negotiation for all major State infrastructure projects.

Since rejoining AMC in 2005 Andrew has been responsible for a number of technical reviews, due diligence and valuation related assignments for financing, acquisition, defense, listing, administration, stamp duty assessments, and completion test purposes. Such assignments have spanned most continents and a range of commodities.

Andrew has led the preparation of Technical Specialist's Reports in regard to the following transactions:

- Dominion Mining Ltd and Kingsgate Consolidated Ltd, December 2010
- Minmetal Resources Limited and MMG Group, November 2010
- Andean Resources Ltd and Goldcorp Inc, October 2010
- Lihir Gold Ltd and Newcrest Ltd, July 2010
- Lion Selection Ltd and Catalpa Resources Ltd, September 2009
- Portman Ltd and Cleveland-Cliffs Inc, October 2008
- Zinifex Ltd and Oxiana Ltd May 2008
- Midwest Corporation Ltd and Murchison Ltd, April 2008
- Shalkiya Zinc Ltd, LSE listing, 2007
- Minera El Tesoro, 2006.
